\* Due to metric to empirical conversions and rounding. We recommend not arranging the 23.5" x 63" panel horizontally alongside the 24" x 24" and 24" x 48" panels. And the 24" x 48" panel should not be vertically arranged alongside the 47" x 47" and 47" x 63" panels if the same dimension is aligned parallel.
